About Us

Amity Home Care LLC is an in-home service provider that assists seniors and their families. We are dedicated to helping our clients lead independent lifestyles in the comfort and safety of their own homes. We are a privately owned company that is proud to service Fresno, Clovis, and surrounding communities. We understand that choosing a home care provider for your loved ones can be a difficult decision. At Amity, our goal is to make this transition as easy as possible for all those involved. This is why we offer affordable rates with no contracts and exceptional service.
